

AFTER SCHOOL ART STUDIO FOR GRADES 4–8 WITH MS. BLANCHARD

After School Art Studio is for those students who love art and would like to enjoy more time in the Art Room. Students will see their abilities improve and their ideas challenged to develop a wide range of skills to add to their portfolio.

Students will have the opportunity to explore illustration, cartooning, printmaking and three dimensional media.

During the After School Art Studio students will:

Be allowed additional time to use a wider range of materials not easily available in a 30 minute lesson.

Benefit from working independently on projects of their own choice.

Be provided focused attention to develop skills in both drawing and painting.

Connect subject matter from academic classes with good design concepts and techniques.

**Art Class will be held on Tuesday afternoons from 2:30—4:15.
Classes will be held on November 15th, November 29th, December 6th and December 13th. The cost is \$5.00 per class. Pick up is in the back of the building at the back Cafeteria doors. Please send in cash or checks made payable to Julie Blanchard.**
